

**PROPERTY OWNER REQUEST FOR
RESTORATION OF WATER SERVICES**

_____ (name), the owner or authorized representative of the owner ("Owner") of lot _____, _____ (street address) in Arrowhead Villas ("the Property"), requests that Arrowhead Mutual Service Company ("AVMSC") restore water service to the Property.

AVMSC advises Owner that AVMSC has not and will not inspect the Property, the pipes or fixtures in or on the Property to determine if restoration of water service will or may result in damage to the Property. AVMSC is not responsible for any damage to the Property or persons that results from restoration of water service. Owner is solely responsible for any property damage or personal injury that results from restoration of water service, or charges by AVMSC for water lost due to leaks from the pipes or fixtures in or on the Property. Owner is also advised that Owner should retain a licensed professional to repair and inspect the Property, the pipes or fixtures in or on the Property to determine if restoration of water service will or may result in damage to the Property before restoration of water service.

By signing this Request, Owner agrees that AVMSC is not responsible for any damage to the Property or persons that results from restoration of water service and that Owner is solely responsible for any property damage or personal injury that results from restoration of water service. Owner further agrees to indemnify and hold harmless AVMSC against claim, demand, damage, debt, liability, obligation, (including the payment of attorney's fees and costs actually incurred, whether or not involving litigation) resulting from the restoration of water service. Owner also agrees for himself/herself and his/her co-owners, tenants and occupants of the Property to release AVMSC and its agents, employees, officers, and directors from any and all claims, demands, damages, debts, liabilities, and obligations, including those within the provisions of Section 1542 of the *Civil Code* resulting from the restoration of water service. If a representative of the owner of the Property signs this Request on the owner's behalf, the owner agrees that AVMSC can rely on the representative's representations and that owner has granted the representative the authority to sign this Request and make said representations.
